## 15" WALK-BEHIND SCRUBBERS

# WRANGLER 1503 AE/AB

Quickly clean small areas with the cost-effective Wrangler 1503. As an alternative to the wet mop, the Wrangler 1503 can improve cleaning results and reduce labor costs.

- Better results. Remove soil from the floor rather than spreading it throughout the area.
- Reduce labor costs by cleaning at rates 50%-75% faster than mopping.
- Lower the risk of slip and fall accidents by recovering the water as you clean, rather than waiting for the floor to dry through evaporation.
- Two models to provide options to fit your operation:
  - Wrangler 1503 AE - A corded scrubber with a 49 foot cord. Unlimited power for frequent use.
  - Wrangler 1503 AB - A battery powered scrubber with a pad assisted drive. Improved productivity and flexibility compared to the corded model.

**DO NO HARM™**

The Wrangler 1503 is safer than mopping. Reduce the risk of slip and fall accidents by leaving the floor dry as you clean.

Printed on Green Seal® certified paper that contains 30% recycled post-consumer fiber.

## SPECIFICATIONS

# WRANGLER 1503

| Model                              | Wrangler 1503 AE                              | Wrangler 1503 AB                  |

| Warranty                           | 3 year parts, 1 year labor, 10 years on tanks |                                   |

1. The adjustable, ergonomic handle provides increased control while reducing operator fatigue.
2. Rotomolded polyethylene body is dent resistant and durable, backed by a 10 year warranty.
3. Convenient drain hoses make tank clean up quick and efficient.
4. The wrap-around 18-in (45 cm) squeegee is located directly behind the scrub brush for complete solution recovery.
5. The on-board battery charger allows recharging anywhere an outlet is available.
6. Two 8-in (20 cm) rear wheels make the Wrangler 1503 extremely maneuverable.

### OPTIONS AND ACCESSORIES

Equip the Wrangler 1503 with brushes (sold separately) to improve performance. Brushes are more effective on grouted floors than pads.

Wrangler 1503 brushes have durable nylon bristles and come in three styles; light scrubbing, medium scrubbing and heavy scrubbing.
