

### Master of the wet-look shine

Maintaining a wet-look shine on your finished floors gives your facility an upscale look that impresses both visitors and guests and takes your image to another level. The Clarke® Ultra Speed Pro® 1500 Floor Burnisher is the affordable, easy-to-use master of the wet-look shine.

**Fast. Affordable. Wet-Look Shine.**

Powered by a 1,500 rpm motor and built with all-metal materials, the Clarke® Ultra Speed Pro® 1500 Floor Burnisher will give you years of dependable service. And it's as safe and easy to use as it is durable, with fingertip controls, handle-mounted safety switch and circuit breaker, and a 50-foot safety-yellow cord.

Keep your facility looking its impressive best with this easy-to-use, affordable floor burnisher.

- 20-inch path powered by 1,500-rpm motor covers even large areas fast
- Fingertip controls ensure easy operation
- Handle-mounted, safety lockout switch and circuit breaker help keep operators safe
- All-metal construction, including cast-aluminum chassis, ensure durability
